

Stitch your brain

is a project by visual artist Monika Auch.

*She researches the intelligence of the hand. This
embroidery kit promotes crafts and stimulates
manual skills.*

*It is a slow, creative and fun project to counter-
balance our fast, computerized environment.*

Embellish your brain any way you like.

Visit the website for inspiration as the community project grows.

Take a photograph of both sides of your canvas and send it to
brain@monikaauch.nl. It will be published on the website.

Format: 26 cm x 20 cm 150 dpi jpeg max 500 kb

Label it: surname_firstname_year

If you want to take part in the research study please tell us via
Email, fill in the digital form and watch the website for results.

Thank you for participating.
